## JOINING HANDS FOR REFUGEES FROM UKRAINE

### Ukraine Crisis Relief Fund

#### Context

Europe is facing its largest refugee crisis this century as millions of mostly women and children flee across the Ukrainian border with only what they can carry.

#### Challenge

More than 4 million people have fled Ukraine. Millions more are displaced within the country, making this the fastest-growing refugee crisis in Europe.

The COVID-19 pandemic is an added challenge for communities where violence and uncertainty take a heavy toll.

- **4,319,494** Refugees fleeing Ukraine
- **7.1** million Internally displaced persons
- **12.65** million people directly affected by the crisis

(\*) *Ukraine Situation Flash Update #7, 6.4.22, UNHCR*

#### The initiative

Joining Hands for Refugees from Ukraine, a humanitarian initiative to assist forcibly displaced people and war refugees from Ukraine.

#### Description

The MSC Foundation is leading a fundraising campaign to directly purchase and deliver 250,000 humanitarian items for forcibly displaced people in need of protection and safety in Ukraine and bordering countries.

#### Partner on the ground

The MSC Foundation is partnering with the UN Refugee Agency (UNHCR) to ensure these relief items are swiftly provided in its reception and transit centres, immediately reaching those in most need.

#### Duration

30 March 2022 – 30 May 2022

#### Fundraising Goal

CHF 1.2m
